WORD PROCESSING NOTES

A - Wang Alliance Volume Passwords

Information Systems Security Group (ISSG) can recover Wang Alliance volume passwords (e.g., disks, diskettes) for users who have forgotten their volume passwords; however, no other Wang Alliance passwords (e.g., document passwords) can be recovered. For assistance, contact ISSG

STAT

B - Verification of Wang Equipment Serial Numbers

During September 1983, Computer Sciences Corporation (CSC) personnel are verifying serial numbers of and labeling Wang equipment. User cooperation is appreciated. Direct questions or concerns to Buddy, Word Processing Branch (WPB/ED/P/ODP),
